## WHAT WE LOVE

- The first manual mill with a built in light  
The BBQ mill combines the movement of a manual mill with the practicality of an intuitive built-in light
- Mobile  
Thanks to its highly practical ring, the mill can be carried around and hung from the barbecue to guarantee easy storage and accessibility at all times
- An all-terrain design  
The mill is capable of shrugging off impacts and withstanding outdoor use with its rubber protections and stainless steel base

 **WHAT WE LOVE**

- **Narrow Shape**  
Perfect aromas perception
- **Central Dome**  
Avoids alcohol concentration
- **Chilling Base**  
cools without diluting the flavors
- **Branded Peugeot Coaster**  
serve your spirit in style

The Peugeot whiskey glass for beginners and connoisseurs - heighten your drinking experience through design and technique. The ideal gift for anyone who appreciates whisky, liquor, cocktails, and more.
